About XAIU

Founded in 1992 and located in the heart of Xi'an, China's most historically and culturally significant city, Xi'an International University is a leading private university accredited by China's Ministry of Education. With 12 colleges and 44 major fields of study, XAIU strives to offer the best education possible to its 24,000 students and engrain them with a wealth of knowledge, practical skills, the ability to think critically, and a strong sense of social responsibilities. XAIU also has affiliated kindergarten, primary and middle schools.

XAIU has established collaborative programs in efforts to cultivate talents with global vision and contribute to local social and economic development, as well as the country's on-going "Belt and Road" initiative. It has beautiful campus that combines nicely the historic and modern, as well as oriental and occidental characteristics with modern facilities.

About Xi'an

Xi'an, China's former capital and most historical city, offers an eclectic mix of traditional, modern and international culture. Xi'an is home to China's most famous attraction, the Terra Cotta Warriors and Horses, and was the starting point of the original Silk Road.

XAIU is located 20 minutes from the downtown area and is easy to reach by taxi, public transportation or bike.

The downtown area offers many entertainment opportunities including shopping streets, movie theaters, restaurants and bars. It also offers a lot of history and culture with its numerous museums, the Ancient City Wall, the Bell & Drum Towers and the world-famous Muslim Street which is known for its many delicacies.
